**THE ASSUMPTION OF THE BLESSED VIRGIN MARY**

In the mystery of her Assumption, Mary experiences immediately what we all will experience eventually, a bodily resurrection like Christ’s own. “The Immaculate Virgin... when the course of her earthly life was finished, was taken up body and soul into heavenly glory, and exalted by the Lord as Queen over all things, so that she might be more fully conformed to her Son, the Lord of lords and conqueror of death”

United States Catholic Catechism for Adults, c.2006, Chapter 12, p.144, 145

Saint Mary, assumed into heaven, may your life with God, body and soul, be our goal. May we see your quiet devotion to God and the Church as an example to be followed, a target to be aimed at, and a destiny that awaits the serious Christian who emulates your subtle virtues.

**PRACTICE OF HOPE**

Jesus opens the door to everyone who strives to live as he did, but joining him in God's kingdom takes sincere and constant effort. We must persist despite whatever challenges we meet. ♦What is the greatest obstacle you face as you follow Christ? How is this obstacle painful for you to overcome? Share your struggle with the Lord. Listen for the ways God is with you in your struggle. ♦Make a list of the people you know and their good qualities. Choose two people and send them a note thanking them for the particular ways they reveal God's goodness. ♦How well do you know the people with whom you gather to celebrate the Eucharist? Introduce yourself to someone. Pray for that person throughout the week.

## **ABORTION, THE DEVIL'S WORK**

Christ warned in John 8:44 that Satan always lies and Satan always kills. He cautioned that Satan "was a murderer from the beginning. He has always hated the truth."

The truth is that God hates the killing of innocent babies and Satan loves it.

Satan tried to kill the baby Moses by inspiring Pharaoh's attempt to annihilate every male Israelite child in Egypt (Exodus 1:15). The baby Jesus survived a similar bloodbath as Satan tried to kill Him through Herod's command that every male child under the age of two be butchered (Matthew 2:16).

Satan would kill God if he could. Since he cannot, he grieves the heart of God by provoking the slaughter of children created in God's image and likeness.

God signaled His regard for and love of life in the womb when He chose to become man at the moment of Christ's conception, not the moment of His birth.

### WATCH THE WOMAN

In the Gospels we hear Jesus refer to his mother Mary as “Woman.” This reference should draw our attention to both Genesis and Revelation. But who is this “Woman,” and why is she so central to salvation history? This powerful film presents the Catholic teaching about Mary and her important role in the life of the Church today. On this Solemnity of the Assumption, let us ponder Mary’s role in our own lives!

### LEARN

#### THE BIBLE AND THE VIRGIN MARY: EPISODE 11: THE ASSUMPTION

In this session of “The Bible and the Virgin,” we explore both the teaching of Mary’s Assumption and the identity of the mysterious woman in the book of Revelation. This episode also reveals how John’s apocalyptic visions are the dramatic fulfillment of the promise God made back in the Garden of Eden!

### LISTEN

#### MARY: THE INDISPENSABLE MOTHER OF GOD BY TIM STAPLES

In this Lighthouse Talk, Tim Staples explains the incredible impact that the Church’s understanding of Mary has on our spiritual lives, and the profound way that Marian doctrines elevate the faith. With his memorable insights and humor, Tim shows how correct knowledge of our humble Mother reveals our own identity in Christ and empowers us to say “Yes” to God!

*August 14<sup>th</sup>, 2022 – Twentieth Sunday in Ordinary Time*  
*Luke 12:49-53*

My initial reaction to reading today's gospel was not a positive one. It is mid-summer and there are wildfires raging in many places, especially in the West where I live. I can see and smell smoke in the air. And there are warnings that more danger may be ahead.

Then I read in Luke's gospel for the day that Jesus has come to set fire on the earth. Not where I live, I thought. Still, I must ask how can I harvest some wisdom from the words of the Master?

Readers of my gospel reflections might know that I have great interest in the history of the cosmos, especially our home planet Earth. These days I visit the James Webb Space Telescope website for the latest findings of this astounding scientific instrument.

When I viewed its first image of deep space that captured a small part of what the Universe looked like a mere few million years after its inception, tears filled my eyes. From that came you and me! When it focused on a part of our galaxy where new stars were being created, I thought that view was what our sun looked like about eight billion years ago. That's when its first "fires" ignited.

Star fire in creation was needed to warm things up so that life, human life, could come forth. Seeing that brought me to recall words written by Teilhard de Chardin that I have reproduced on a wall-hanging given to me by one of my students many years ago. I quote those words here: "The day will come, when harnessing the distances of space, the winds, the tides and gravitation, we shall harness for God the energies of love. And on that day, for the second time in the history of the world, we will have discovered fire."

Fire can be destructive, as we witness in the forest fires of this summer. However, their full scientific story must include a chapter where fires are shown as a way forests regenerate themselves.

But the fire that Jesus refers to is a mystical, creative fire that can burn between us. The fire of love that can warm the space between us and bring us closer together. Sadly, that space that can also be cooled by harshness, hatred and indifference, which also exist in our world. Pray for the fire of God's Holy Spirit to inflame our hearts with, as we say in prayer, "the fire of God's divine love."
